#### RE SPECIAL SURVEY OF PORTION OF DISTRICT LOT 301, GROUP 1, NEW WESTMINSTER DISTRICT.

HIS HONOUR the Lieutenant-Governor, by Order in Council dated 22nd October, 1921, under the provisions of the "Special Surveys Act," has been pleased to order as follows:—

That the complete special survey of every block of the isolated piece or parcel of land within the external boundaries of that portion of District Lot 301, Group 1, New Westminster District, bounded on the south by the south boundary of the said district lot, on the west by the west boundary of the said district lot, on the north by the centre line of Fifteenth Avenue, and on the east by the centre line of Prince Edward Street (formerly John Street), directed by the Honourable the Attorney-General on the 28th February, 1920, to be made under the provisions of the "Special Surveys Act" by Mr. W. H. Powell, a British Columbia land surveyor approved by the Surveyor-General, for the purpose of correcting any error or supposed error in respect of any existing survey or plan or of correcting or adjusting any discrepancy between the occupancy of land and any registered subdivision or plans of such land, and of plotting land not before subdivided, and of showing the divisions of land of which the divisions were not shown on any plan of subdivision, and the plans thereof which were duly completed and filed on 6th January, 1921, with the Provincial Secretary, be approved.

And that the said complete special survey and plans are declared to be the true and correct survey and plans of the land thereby affected, and that all the boundaries and lines fixed by such special survey and plans are the true boundaries and lines, whether of streets, roads, or lanes, and as between adjoining owners and adjoining lots.

And that the said plans are substituted for all former plans and surveys of the land comprised in the said portion of District Lot 301 which had theretofore been registered.

And that any land within the said portion of District Lot 301 which has by such special survey been added to any lot or block shown on the original surveys of the lands affected shall vest in the person owning such lot or block, and that any land which has by said special survey been added to any road, street, or lane shown on the original surveys of the lands affected shall vest in the City of Vancouver.

And that the building erected on Lot 1 (A), Block 73, District Lot 301, and which encroaches

six inches on Lot 1 (B) of the said block, shall be removed from said Lot 1 (B) by the owner thereof at the expiration of six months' notice in writing from the owner of the said Lot 1 (B) to the owner of the said Lot 1 (A). And in the event of no notice being given as aforesaid, the said building shall be removed from the said Lot 1 (B) at the expiration of a lease now covering the premises erected on Lot 1 (A), and before the expiration of the said lease, if the building erected on said Lot 1 (A) are reconstructed in any way, the encroachment must immediately be removed.

And that the owner of Lot 8, Block 24, D.L. 301, upon which there is standing an old building and which encroaches one foot on Lot 8 (A), Block 24, D.L. 301, remove the said building upon six months' notice from the owner of said Lot 8 (A).

And that where the special survey shows fences which encroach upon adjoining lots within the special survey, the said fences shall within five years be removed by the owner of the land which has been found by the special survey to encroach on adjoining lots.

And that the dwelling house erected on Lot 30, Block 1, D.L. 301, encroaches approximately two feet on Lot 29, Block 1, D.L. 301. The said dwelling-house is owned by Mrs. Allen, and in the event of Mrs. Allen selling the property the house will have to be moved upon notice in writing from the owner of the land on which the house encroaches.

And that the building erected on Lot 3, Block 72, D.L. 301, which slightly projects on the adjoining lot owned by the Credit Foncier Company, shall not be disturbed, nor shall the possession thereof be interfered with during the lifetime of the building.

And that the encroachment of the building erected on Lot 4, Block 1, D.L. 301, upon the East Half of Lot 3 of the said block shall not give any right of possession, and when the building is renewed or reconstructed the encroachment on the said East Half of Lot 3 must be removed.

And that where the special survey and plan have shown buildings which encroach on adjoining lots, the said buildings must be removed within ten years from the date hereof, except in the cases hereinbefore dealt with; and in the case of fences which similarly are shown to encroach on adjoining lots, the time limit within which such fences are to be removed is fixed within five years from this date.

And that the compensation hereinafter referred to be included in and form part of the costs and expenses of the said special survey and be distributed as hereinafter set out.

And that the total costs and expenses of the said special survey (save and except the costs and expenses of the said Mr. W. H. Powell, B.C.L.S., for services in connection with such special survey, which shall be borne and wholly paid by the said City of Vancouver) be allowed as follows:—

## MUNICIPAL BY-LAWS.

## THE CORPORATION OF THE DISTRICT OF DELTA.

A By-law to extend the Waterworks System established under the "Delta Waterworks By-law, 1909," and to authorize the Construction of the Necessary Works and laying the Necessary Water-mains, Water-service Pipes, and for borrowing \$20,000 upon Debentures to pay for the same.

**W**HEREAS a waterworks system has been established in that portion of the District of the Municipality of Delta defined in the "Delta Waterworks By-law, 1909," and the same is owned and operated by the Municipality of Delta;

And whereas, by virtue of section 50 of the "Local Improvement Act" and amending Acts, the Council of a District Municipality may undertake

as a local improvement the purchase, construction, enlargement, or extension of waterworks:

And whereas Eliza Jane Albertson and others have petitioned the Council to extend the waterworks system to include all that portion of the Municipality of Delta described as follows, that is to say: Westham Island, except Lots 193, 194, 473, and 474, Group 2; and to construct the necessary works as a local improvement, and the Clerk has certified that the petition is sufficient, and it is expedient to grant the prayer of the petition in manner hereinafter provided:

And whereas the total cost of the work is estimated to be \$20,000:

And whereas the estimated lifetime of the work is thirty years:

And whereas it is necessary to borrow the sum of \$20,000 on the credit of the Corporation, and to issue debentures therefor payable within twenty years from the time of the issue thereof, and bearing interest at the rate of 6 per centum per annum, which is the amount of the debt intended to be created by this by-law:

And whereas it will be necessary to raise annually \$671.65 for the payment of the debt and \$1,200 for the payment of the interest thereon, making in all the sum of \$1,871.65 to be raised annually for the payment of the debt and interest:

And whereas the amount of the whole rateable property of the municipality according to the last revised assessment roll is \$6,700,707:

And whereas the amount of the existing debenture debt of the Corporation (exclusive of local improvement debts, secured by special rates or assessments) is \$115,000, and no part of the principal or interest is in arrear:

Therefore, the Municipal Council of the Corporation of the District of Delta enacts as follows:—

1. That the system of waterworks established under the "Delta Waterworks By-law, 1909," be extended to include all that portion of the Municipality of Delta described as follows, that is to say: Westham Island, except Lots 193, 194, 473, and 474, Group 2; and that all necessary water-mains, water-service pipes, and connections to be laid down and installed, and that the work of such extension be undertaken under the provisions of the "Local Improvement Act."

2. The Engineer of the Corporation do forthwith make such plans, profiles, and specifications and furnish such information as may be necessary for the making of the contract for the execution of the work.

3. The work shall be carried on and executed under the superintendence and according to the directions and orders of such Engineer.

4. The Reeve and Clerk are authorized to cause a contract for the construction of the works to be made and entered into with some person or persons, firm or corporation, subject to the approval of this Council, to be declared by resolution.

5. The Treasurer may, subject to the approval of the Council, agree with any bank or person for temporary advances of money to meet the cost of the work pending the completion of it.

6. That for the purpose aforesaid there shall be borrowed on the credit of the Corporation at large the sum of and debentures shall be issued therefor in sums of not less than \$1,000 each, which shall have coupons attached thereto for the payment of interest.

7. The debentures shall all bear the same date and shall be issued within two years after the day on which this by-law is passed, and may bear any date within such two years, and shall be payable within twenty years after the time when the same are issued.

8. The debentures shall bear interest at the rate of 6 per centum per annum, payable half-yearly, and as to both principal and interest may be expressed in Canadian currency or sterling money of Great Britain at the rate of one pound sterling for each four dollars and eighty-six and two-thirds cents, and may be payable at any place or places in Canada or Great Britain.

9. The Reeve of the Corporation shall sign and issue the debentures and interest coupons, and the same shall also be signed by the Treasurer of the

Corporation, but the signatures on the coupons may be lithographed and the debentures shall be sealed with the seal of the Corporation.

10. During twenty years, the currency of the debentures, \$671.65 shall be raised annually to form a sinking fund for the payment of the debt, and \$1,200 shall be raised annually for the payment of the interest thereon, making in all \$1,871.65 to be raised annually for the payment of the debt and interest, as follows:—

The cost and the interest thereon, including the cost of managing and maintaining the work, the Council shall assess, levy, and collect the same in the same manner as municipal taxes are assessed, levied, and collected, upon and from the land and improvements in the area above mentioned and described, to which the waterworks is now being extended, by a special rate readjusted and levied from year to year upon the assessed value of the land and lots within the said area, as shown on the last revised assessment roll of the municipality, and such rates may be fixed by any general rate by-law of the municipality.

All money arising from the said special rates or from the commutation thereof not immediately required for the payment of interest shall be invested as required by law.

12. The debentures may contain any clause providing for the registration thereof authorized by any Statute relating to municipal debentures in force at the time of the issue thereof.

13. The amount of the loan authorized by this by-law may be consolidated with the amount of any loans authorized by other local improvement by-laws, by including the same with such other loans in a consolidating by-law authorizing the borrowing of the aggregate thereof as one loan, and the issue of debentures for such loan in one consecutive issue, pursuant to the provisions of the Statute in that behalf.

14. This by-law may be cited as the "Delta Waterworks Extension By-law, 1921."

15. This by-law shall take effect on the day of the final passing thereof.

Passed this 24th day of December, 1921.

Reeve.

Clerk.

Notice is hereby given that the above is a true copy of a by-law provisionally adopted by the Municipal Council of the Corporation of Delta, and that a Court of Revision for hearing any appeals against the assessment thereby imposed will be held at the Council Chambers at Ladner, commencing at 10 a.m. on the 18th day of February, 1922; and further notice is hereby given that any person intending to apply to have this by-law or any portion thereof quashed must, not later than ten days after the final passing thereof, serve a notice in writing upon the Reeve and upon the Clerk of the municipality of his intention to make an application for that purpose to the Supreme Court during the thirty days next ensuing after the final passing of this by-law.
